2-LEG ELECTRIC HEIGHT ADJUSTABLE FRAME

**AFRDI CERTIFIED | 180KG LOAD RATED | INTERNAL HEAVY DUTY MOTORS
5/10 YEAR WARRANTY | SUSTAINABLE PACKAGING | QUICK ASSEMBLY SYSTEM**

V1HD2*: 2-LEG HEAVY DUTY FRAME

FEATURES AND SPECIFICATIONS:

- AFRDI Certified
- Lift capacity: 180kg evenly distributed
- Heavy duty 90mm x 60mm leg profile
- Height range: 600mm to 1250mm (excluding top)
- Top size compatibility (depth): 600mmD - 900mmD
- Top size compatibility (width): 1100mmW - 1800mmW (2000mmW with optional Extension Beam set)
- Foot length: 700mmL (optional 600mmL foot available - see page 10 for more info)
- Internally mounted motors within each 3-stage lift column
- Lift rate: 33mm/s
- Anti-collision with Soft-Start/Stop
- Thermal overheat protection
- Programmable Min/Max height limits
- 3-Memory handset controller with built-in USB-C outlet
- Programmable timer for 'Stand' reminder
- Child-lock feature
- 5 year warranty: electronic components (including motors)
- 10 year warranty: steel frame components
- Colours: Black, White or Silver (* denotes colour)

3-LEG ELECTRIC HEIGHT ADJUSTABLE FRAME

AFRDI CERTIFIED | 220KG LOAD RATED | INTERNAL HEAVY DUTY MOTORS

5/10 YEAR WARRANTY | 90-180 DEGREE CAPABILITY | QUICK ASSEMBLY SYSTEM

V1HD3*: 3-LEG HEAVY DUTY FRAME

FEATURES AND SPECIFICATIONS:

- AFRDI Certified
- Lift capacity: 220kg evenly distributed
- Heavy duty 90mm x 60mm leg profile
- Height range: 600mm to 1250mm (excluding top)
- Top size compatibility (depth): 600mmD - 900mmD
- Top size compatibility (width): 1200mmW - 1800mmW x 1200 x 2100 (optional extension beam adds 200mm)
- Foot length: 700mmL on main frame + 600mmL on return frame (optional 600mmL foot available - see page 10)
- Includes optional post foot for centre leg
- Internally mounted motors within each 3-stage lift column
- Lift rate: 33mm/s
- Anti-collision with Soft-Start/Stop
- Thermal overheat protection
- Programmable Min/Max height limits
- 3-Memory handset controller with built-in USB-C outlet
- Programmable timer for 'Stand' reminder
- Child-lock feature
- 5 year warranty: electronic components (including motors)
- 10 year warranty: steel frame components
- Colours: Black, White or Silver (* denotes colour)

2-LEG ELECTRIC HEIGHT ADJUSTABLE ROUND LEG FRAME

180KG LOAD RATED | INTERNAL HEAVY DUTY MOTORS
TELESCOPIC DESIGN | 5/10 YEAR WARRANTY

VR2*: 2-LEG ROUND LEG FRAME

FEATURES AND SPECIFICATIONS:

- Lift capacity: 180kg evenly distributed
- Round 70mm diameter leg profile
- Height range: 600mm to 1250mm (excluding top)
- Top size compatibility (depth): 600mmD - 900mmD
- Top size compatibility (width): 1100mmW - 1800mmW (2000mmW with optional Extension Beam set)
- Foot length: 700mmL (optional 600mmL foot available - see page 10 for more info)
- Internally mounted motors within each 3-stage lift column
- Lift rate: 33mm/s
- Anti-collision with Soft-Start/Stop
- Thermal overheat protection
- Programmable Min/Max height limits
- 3-Memory handset controller with built-in USB-C outlet
- Programmable timer for 'Stand' reminder
- Child-lock feature
- 5 year warranty: electronic components (including motors)
- 10 year warranty: steel frame components
- Colours: Black, White or Silver (* denotes colour)

3-LEG ELECTRIC HEIGHT ADJUSTABLE ROUND LEG FRAME

220KG LOAD RATED | INTERNAL HEAVY DUTY MOTORS | TELESCOPIC DESIGN

5/10 YEAR WARRANTY | 90-180 DEGREE CAPABILITY

VR3*: 3-LEG ROUND LEG FRAME

FEATURES AND SPECIFICATIONS:

- Lift capacity: 220kg evenly distributed
- Round 70mm diameter leg profile
- Height range: 600mm to 1250mm (excluding top)
- Top size compatibility (depth): 600mmD - 900mmD
- Top size compatibility (width): 1200mmW - 1800mmW x 1200 x 2100 (optional extension beam adds 200mm)
- Foot length: 700mmL on main frame + 600mmL on return frame (optional 600mmL foot available - see page 10)
- Includes optional post foot for centre leg
- Internally mounted motors within each 3-stage lift column
- Lift rate: 33mm/s
- Anti-collision with Soft-Start/Stop
- Thermal overheat protection
- Programmable Min/Max height limits
- 3-Memory handset controller with built-in USB-C outlet
- Programmable timer for 'Stand' reminder
- Child-lock feature
- 5 year warranty: electronic components (including motors)
- 10 year warranty: steel frame components
- Colours: Black, White or Silver (* denotes colour)

3-LEG FIXED HEIGHT FRAME

HEAVY DUTY CONSTRUCTION | QUICK ASSEMBLY SYSTEM | TELESCOPIC DESIGN
10 YEAR WARRANTY | 90-180 DEGREE CAPABILITY

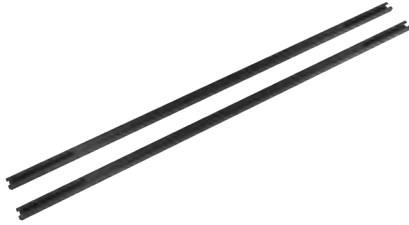

FEATURES AND SPECIFICATIONS:

- Heavy duty 90mm x 60mm leg profile
- Height: 695mmH / 720mmH with 25mmT desk top
- Top size compatibility (depth): 600mmD - 900mmD
- Top size compatibility (width): 1200mmW - 1800mmW x 1200 x 2100 (optional extension beam adds 200mm)
- Foot length: 700mmL on main frame + 600mmL on return frame (optional 600mmL foot available - see page 10)
- Includes optional post foot for centre leg
- 10 year warranty
- Colours: Black or White (* denotes colour)

V1STAT3*: 3-LEG STATIC FRAME

VERTILIFT COMPONENTS

VERTEXT*: EXTENSION BEAM SET

- Extends standard frame by 200mm
- Set includes 2 x Extension Beams
- Available in Black, White or Silver (* denotes colour)

VHDF6*: 600MM FOOT (HD)

- Converts standard HD frame (700mmL foot) to suit 600mmD desk top
- Compatible with Verilift Quick-Fit Foot installation
- Available in Black, White or Silver (* denotes colour)

VRF6*: 600MM FOOT (ROUND)

- Converts standard Round Leg frame (700mmL foot) to suit 600mmD desk top
- Available in Black, White or Silver (* denotes colour)

VTCT*: 1200-1800 CABLE TRAY

- Adjustable cable tray to suit 1200-1800 desk tops
- Compatible with Verilift Support Beam for Single Desk and Verilift Cross Beam for Back-to-Back application
- Provision for CMS Quad GPO (push-out section)
- 3-piece lid to suit 1200-1800 size range
- Available in Black, White or Silver (* denotes colour)

VSFCT15*: 1500 CABLE TRAY

- Fixed length cable tray to suit 1500mmL desk top
- Compatible with Verilift Support Beam to suit single desk application (not suited to back to back workstation)
- Internal power and data segregation
- Compatible with Verilift Cable Chain
- Available in Black, White or Silver (* denotes colour)

VSFCT18*: 1800 CABLE TRAY

- Fixed length cable tray to suit 1800mmL desk top
- Compatible with Verilift Support Beam to suit single desk application (not suited to back to back workstation)
- Internal power and data segregation
- Compatible with Verilift Cable Chain
- Available in Black, White or Silver (* denotes colour)

PETFSSB*: SCREEN BRACKET

- Compatible with M&R Acoustic Workstation Screen
- Compatible with Vertilift Short Cross Beam for single desk application
- Clamp through design with locating pins
- Supplied at no cost if ordered with M&R Acoustic Screens (sold in pairs if ordered separately)
- Available in Black, White and Silver (* denotes colour)

VSB*: UNIVERSAL SCREEN BRACKET

- Universal bracket compatible with non-Vertilift screens and partition systems
- Can be secured to screen using adjustable hardware or screws depending on application (hardware not included)
- Set includes 1 x Left Hand and 1 x Right Hand bracket
- Available in Black, White or Silver (* denotes colour)

VCBS*: SUPPORT BEAMS (HD)

- 380mmL Support Beam designed to mount Vertilift Cable Trays and/or Acoustic Screen/Partitions to HD Frame
- Quick-fit cut out design with plastic cover plates
- Compatible with PET Screen Bracket and Universal Screen Bracket
- Available in Black, White or Silver (* denotes colour)

VRCBS*: SUPPORT BEAMS (ROUND)

- 355mmL Support Beam designed to mount Vertilift Cable Trays and/or Acoustic Screen/Partitions to Round Frame
- Quick-fit cut out design with plastic cover plates
- Compatible with PET Screen Bracket and Universal Screen Bracket
- Available in Black, White or Silver (* denotes colour)

V120*: 120 DEGREE BRACKET

- Converts standard 3-Leg (HD/Round/Fixed Height) frame from 90 degree corner frame to 120 degree frame
- Compatible with 3-leg frames only
- Available in Black, White or Silver (* denotes colour)

VPF*: POST FOOT

- Included as standard with 3-leg frames as optional foot for centre leg
- Includes adjustable foot
- Available in Black, White or Silver (* denotes colour)

DEDICATED HEIGHT ADJUSTABLE BACK-TO-BACK SYSTEM

**180KG LOAD RATED - PER DESK | INTERNAL HEAVY DUTY MOTORS | TELESCOPIC DESIGN
5/10 YEAR WARRANTY | QUICK ASSEMBLY SYSTEM**

VB2B*: BACK TO BACK FRAME

Includes the following:

- 2 x Height Adjustable Heavy Duty Desk Frames
- 1 x set of Cross Beams

FEATURES AND SPECIFICATIONS:

- Lift capacity: 180kg evenly distributed (per frame)
- Heavy duty 90mm x 60mm leg profile
- Height range: 600mm to 1250mm (excluding top)
- Top size compatibility (depth): 600mmD - 900mmD
- Top size compatibility (width): 1100mmW - 1800mmW
- Compatible with VBBCT15 and VBBCT18 Fixed Length Cable Trays to suit 1500mmL and 1800mmL acoustic screen
- Compatible with VTCT Telescopic Cable Tray for non-standard top sizes (1200mmL to 1800mmL)
- Internally mounted motors within each 3-stage lift column
- Lift rate: 33mm/s
- Anti-collision with Soft-Start/Stop
- Thermal overheat protection
- Programmable Min/Max height limits
- 3-Memory handset controller with built-in USB-C Outlet
- Programmable timer for 'Stand' reminder
- Child-lock feature
- 5 year warranty: electronic components (including motors)
- 10 year warranty: steel frame components
- Colours: Black or White (* denotes colour)

DEDICATED FIXED HEIGHT BACK-TO-BACK SYSTEM

HEAVY DUTY CONSTRUCTION | QUICK ASSEMBLY SYSTEM

10 YEAR WARRANTY | TELESCOPIC DESIGN

FEATURES AND SPECIFICATIONS:

- Heavy duty 90mm x 60mm leg profile
- Height: 695mmH / 720mmH with 25mmT desk top
- Top size compatibility (depth): 600mmD - 900mmD
- Top size compatibility (width): 1100mmW - 1800mmW
- Compatible with VBBCT15 and VBBCT18 Fixed Length Cable Trays to suit 1500mmL and 1800mmL acoustic screen
- Compatible with VTCT Telescopic Cable Tray for non-standard top sizes (1200mmL to 1800mmL)
- 10 year warranty
- Colours: Black or White (* denotes colour)

VSTB2B*: BACK TO BACK FRAME

Includes the following:

- 2 x Fixed Height Heavy Duty Desk Frames
- 1 x set of Cross Beams

BACK-TO-BACK COMPONENTS

VBBCT15*: 1500 CABLE TRAY

- Fixed length cable tray to suit 1500mmL desk top
- Compatible with Vertilift Cross Beam to suit back to back workstation
- Internal power and data segregation
- Compatible with Vertifit Cable Chain
- Available in Black, White or Silver (* denotes colour)

VBBCT18*: 1800 CABLE TRAY

- Fixed length cable tray to suit 1800mmL desk top
- Compatible with Vertilift Cross Beam to suit back to back workstation
- Internal power and data segregation
- Compatible with Vertifit Cable Chain
- Available in Black, White or Silver (* denotes colour)

VHDCB*: CROSS BEAMS (HD)

- 725mmL cross-beam (support beam) designed to hold Vertilift Cable Tray and/or Acoustic Screen/Partitions for Back-to-back applications
- Included as standard with VB2B and VSTB2B, also available separately
- Quick-fit cut-out design with plastic cover plates
- Compatible with PET B2B Screen Bracket and Universal Screen Bracket
- Available in Black, White or Silver (* denotes colour)

PETB2BSB*: B2B SCREEN BRACKET

- Compatible with M&R Acoustic Workstation Screen
- Compatible with Vertilift Cross Beam for back-to-back workstation application
- Clamp through design with locating pins
- Supplied at no cost if ordered with M&R Acoustic Screens (sold in pairs if ordered separately)
- Available in Black, White and Silver (* denotes colour)

VSB: UNIVERSAL SCREEN BRACKET

- Universal bracket compatible with non-Vertilift screens and partition systems
- Can be secured to screen using adjustable hardware or screws depending on application (hardware not included)
- Set includes 1 x Left Hand and 1 x Right Hand bracket
- Available in Black, White or Silver (* denotes colour)

ELECTRIC HEIGHT ADJUSTABLE MEETING TABLE FRAME

EXECUTIVE RAKED FOOT PROFILE | ROUND 3-STAGE LIFT COLUMN DESIGN
ROUND INTERNAL HEAVY DUTY MOTORS | 5 YEAR WARRANTY

FEATURES AND SPECIFICATIONS:

- Lift capacity: 100kg evenly distributed
- Round leg profile 70mm diameter with raked profile foot
- Height range: 700mm to 1300mm (excluding top)
- Top size compatibility (depth): 1100mmD - 1250mmD
- Top size compatibility (length): 2100mmW - 2400mmW
- Lift rate: 25mm/s
- Anti-collision with Soft-Start/Stop
- Thermal overheat protection
- Handset controller with built-in USB-A
- 5 year warranty
- Colours: Black or White (* denotes colour)

VEB*:MEETING TABLE FRAME

ARCHITILT DRAFTING

Pictured with:
- ARCHITILT15
- TOP1575BO
- VLAMP

ELECTRIC HEIGHT ADJUSTABLE DRAFTING TABLE

**INDUSTRY-FIRST ELECTRIC HEIGHT + TILT ADJUSTABLE FRAME | PAPER RETENTION CLIPS
IN-BUILT CABLE DUCTING - CMS COMPATIBLE | REVERSIBLE PAPER RETAINER**

ARCHITILT15: 1500 FRAME

ARCHITILT18: 1800 FRAME

FEATURES AND SPECIFICATIONS:

- Lift capacity 180kg evenly distributed (excl. tilt function)
- Height range 700mm - 1170mm
- Tilt range 0-45 degrees (electronic tilt mechanism)
- Frame suits tops 750 - 900mm deep
- Architilt15: fixed length frame suits tops 1200 to 1500mm
- Architilt18: fixed length frame suits tops 1650 to 1800mm
- Foot length: 700mmL (optional 600mmL foot available - see page 10 for more info)
- Internally mounted motors inside 3-stage column legs
- Handset controls both lift and tilt mechanism
- Thermal overheat protection
- Anti Collision with soft start and stop
- Heavy duty magnetic paper-stop rail (1200mmW)
- Steel paper clips to secure plans/documents
- Cable cover plate to protect wiring
- Provision to mount CMS Dual or Quad GPO
- Compatible with Desk Lamp (VLAMP)
- 5 year warranty
- Colour: Black only

VERTILIFT SINGLE MOTOR

Pictured with:
- VSM2B
- T2BO

2-LEG SINGLE MOTOR FRAME

**120KG LOAD RATED | HEAVY DUTY MOTOR | TELESCOPIC DESIGN
5 YEAR WARRANTY | QUICK ASSEMBLY SYSTEM**

VSM2*: SINGLE MOTOR FRAME

FEATURES AND SPECIFICATIONS:

- Lift capacity: 120kg evenly distributed
- Heavy duty 90mm x 60mm leg profile
- Height range: 700mm to 1170mm (excluding top)
- Frame range width: 1010mm - 1400mm (excluding top)
- Top size compatibility (depth): 600mmD - 800mmD
- Top size compatibility (width): 1200mmW - 1600mmW
- Foot length: 700mmL (optional 600mmL foot available - see page 10 for more info)
- Externally mounted single motor with telescopic drive bar connected to 2-stage lift columns
- Lift rate: 25mm/s
- Anti-collision with Soft-Start/Stop
- Thermal overheat protection
- 3-Memory handset controller with built-in USB-A outlet
- 5 year warranty
- Colours: Black or White (* denotes colour)

VERTILIFT PRO RANGE

ELECTRIC ON-DESK RISER

**DROP SHIP PACKAGING | TOOL FREE FAST-ASSEMBLY
COMPATIBLE WITH MONITOR ARMS | 5 YEAR WARRANTY**

FEATURES AND SPECIFICATIONS:

- Lift capacity: 35kg evenly distributed
- Monitor platform rated to 32kg
- Keyboard tray rated to 3kg
- Height range: 145mm to 510mm
- Platform width: 880mmW x 465mmD
- Keyboard tray width: 840mmW x 255mmD
- Lift rate: 29mm/s
- Inbuilt controller with built-in USB-A outlet (new stock includes additional USB-C outlet)
- Compatible with clamp-on monitor arms (Dual or Single Monitor Arm)
- Packaged for drop-shipping with tool-free assembly (4 x finger screws to attach keyboard tray)
- 5 year warranty
- Colours: Black or White (* denotes colour)

VERTIPRO*: VERTILIFT PRO

VERTILIFT PARTS

CONTROL BOX

- Replacement 2-Leg Frame control box (C5E)
- Replacement 3-Leg Frame control box (C6C)
- Control boxes are backwards compatible and can be used with older model frames (internal drive motors pre VHD & VR models)
- Older frames may require a control box bracket to fix control box to underside of desk top

H7

H12

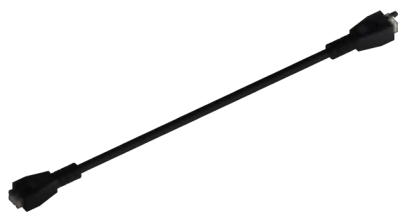

H9

C5H

HANDSET CONTROLLER

- Replacement handset controllers are available to suit current and previous Vertilift frame models
- Handset controllers are compatible with the current generation and can be used to match with existing frames
- Original Vertilift (H7)
- HD Range (H12)
- Round Range (H9)
- Single Motor (C5H) *includes integrated control box*

LEG CONNECTION LEAD

- Available in 3 lengths to suit both 2-Leg and 3-Leg frames in a variety of sizes and orientations
- Leg connection leads are backwards compatible and can be used with older model frames (pre VHD & VR models)

LEG FOR HD + ROUND FRAME

- Replacement HD Leg or Round Leg
- Compatible with 2-Leg and 3-Leg frames
- Available in Black, White and Silver

INTERNAL DRIVE MOTOR

- Internal drive motors are backwards compatible and can be used with older model frames (pre VHD & VR models)
- It is recommended that leg connection leads are also replaced when installing new internal drive motors

4-LEG CONTROL SYSTEM

- 4-Leg control system used to control multiple frames for control desk, heavy usage or long-span applications
- Depending on application, some reduced handset functionality may be required due to programming limitations
- Includes cables and mounting brackets

DESK ACCESSORIES

VMOD*: MODESTY PANEL

- Telescopic Modesty Panel (1100mmL to 1850mmL)
- 400mmH (290mm from floor on standard height desk)
- Mounts to the underside of top using the Vertilift Modesty Brackets (VMB) or can be screwed directly to desk top
- Universal - can be used with any workstation system
- Colour: Black or White (* denotes colour)

VMB*: MODESTY PANEL BRACKET

- Compatible with Vertilift Modesty Panel
- Sold in pairs (left/right hand) includes required hardware
- Bolts directly to Modesty Panel and screws to underside of desk top
- Colour: Black or White (* denotes colour)

CHAIN*: CABLE CHAIN

- Modular (clip together) plastic cable chain to provide cable segregation (ducting) from floor/cable chain to desk top
- 1200mmL; can be adjusted to required length
- Kit includes 2 x fixing plates and an optional weighted foot for single desk applications
- Fixing plates can attach directly to Vertilift Cable Tray and can be fixed to desk top using screws (provided)
- Colour: Black or White (* denotes colour)

VCSL*: ZIPPER CABLE SLEEVE

- Neoprene cable sleeve with zipper to provide cable management or segregation from floor or cable tray to desk top
- Fixed length 1200mmL to suit height adjustable workstation at max height
- 25mm diameter; sufficient for several power/data cables per sleeve
- Includes fixing plate on one end to fix directly to desk top
- Provides a fast install cable management solution
- Logo printing based on MOQ of 250 units (POA)
- Colour: Black or White (* denotes colour)

VLAMP*: DESK LAMP

- LED desk lamp with dual LED (2700k-6500k range)
- Adjustable 90-180 degree light position with 800mm span
- Height from desk top: 755mm+ depending on set-up
- Clamp on design (suits 18mm-70mmT top)
- Inbuilt button control and remote control supplied
- Colour: Black only

VBH*: BAG/HEADPHONE HOOK

- Steel hook to suit bag or headphones
- Attaches to underside of desk (screw to desk top) allowing for customisable location
- Colour: Black or White (* denotes colour)

VERTD*: STEEL UTILITY DRAWER

- 480mmW x 260mmD x 50mmH
- Mounts to underside of desk top
- Non - Locking
- Metal-Bearing Runners
- 3 Year Warranty
- Colour: Black or White (* denotes colour)

VMAT: ANTI-FATIGUE MAT

- 990mmL x 510mmW x 18mmT
- PVC covered polyurethane structure provides support and relief when standing at height adjustable workstations
- Textured surface provides anti-slip traction
- Water resistant closed cell foam construction
- Easy to clean - Mat can be brushed, mopped or wiped
- Colour: Black only

VCOV: MAGNETIC CABLE COVER

- Magnetic clip-on wiring cover to suit Vertilift frames
- Quickly cover under desk wiring with removable magnetic fabric upholstered cover
- Reduces assembly and installation times and allows for a refined installation
- 1000mmL to suit 1200mm-1800mm sizing
- Colour: Charcoal only

VDWB*: DESK TOP WHITE BOARD

- Desk top white board with inbuilt storage for pens and stationery
- Glass white board surface
- Set includes 3 x markers and 1 x eraser
- 390mmL x 180mmD x 56mmH
- Colour: Black or White (* denotes colour)

CA60: CABLE COVER 60MM

- Brushed stainless finish (alloy) cable access hole cover
- Suits 60mm diameter cable access hole
- Includes removable cover plate
- Includes rubber bushing for cable retention
- Logo printing based on MOQ of 250 units (POA)

CA80: CABLE COVER 80MM

- Brushed stainless finish (alloy) cable access hole cover
- Suits 80mm diameter cable access hole
- Includes removable cover plate
- Includes rubber bushing for cable retention
- Logo printing based on MOQ of 250 units (POA)

TABLE BASE RANGE

STEEL DISC BASE TABLE FRAME

**THREE HEIGHTS WITH MATCHING DESIGN PROFILE | SUITED TO A WIDE RANGE OF TOPS
DURABLE POWDER COAT FINISH | 10 YEAR WARRANTY**

FEATURES AND SPECIFICATIONS:

- Matching suite of disc base table bases to suit Coffee Table, Meeting Table and Bar Table applications
- Suitable for a range of top sizes and shapes to create tables for reception areas, meeting rooms and breakout areas
- Solid 5.75mm high quality steel base with 75mm diameter post
- Coffee Table: 400mmH (excluding top) with 400mm diameter base - suits tops 450-600mm diameter
- Meeting Table: 725mmH (excluding top) with 580mm diameter base - suits tops 600-1050mm diameter
- Bar Table: 1025mmH (excluding top) with 500mm diameter base - suits tops 600mm diameter
- Simple assembly and installation
- Durable powder coat finish
- 10 year warranty
- Colours: Black or White

TBCW: COFFEE TABLE BASE

- Steel disc base Coffee Table Base
- Height: 400mmH (without top)
- Top size range: 450mm - 600mm diameter
- White powder coat finish

TBCB: COFFEE TABLE BASE

- Steel disc base Coffee Table Base
- Height: 400mmH (without top)
- Top size range: 450mm - 600mm diameter
- Black powder coat finish

TBMW: MEETING TABLE BASE

- Steel disc base Meeting Table Base
- Height: 725mmH (without top)
- Top size range: 600mm - 1050mm diameter
- White powder coat finish

TBMB: MEETING TABLE BASE

- Steel disc base Meeting Table Base
- Height: 725mmH (without top)
- Top size range: 600mm - 1050mm diameter
- Black powder coat finish

TBBW: BAR HEIGHT TABLE BASE

- Steel disc base Bar Height Table Base
- Height: 1025mmH (without top)
- Top size range: 600mm diameter
- White powder coat finish

TBBB: BAR HEIGHT TABLE BASE

- Steel disc base Bar Height Table Base
- Height: 1025mmH (without top)
- Top size range: 600mm diameter
- Black powder coat finish

DYNAMIC MONITOR ARM RANGE

DYNAMIC GAS SPRING MONITOR ARM

**ROTATION CONTROL | QUICK RELEASE VESA PLATE | QUICK INSTALLATION DESIGN
INTEGRATED CABLE MANAGEMENT | CLAMP & BOLT THROUGH KIT INCLUDED**

FEATURES AND SPECIFICATIONS:

- Dynamic tension adjustable gas spring monitor arms
- Quick-installation design: clamp installs from above with quick-detach arms
- Built-in Cable Management (colour matched)
- Screen compatibility 17" to 32"
- Weight capacity (per screen): 1 to 9kg
- Monitor rotation range: +180° / -180°
- Monitor tilt range: +45° / -45°
- Monitor swivel range: +90° / -90°
- Detachable and lockable VESA plate design (75mm x 75mm and 100mm x 100mm universal compatibility)
- Optional clamp or grommet installation kits included
- 5 year warranty
- Colours: Black or White

LSB: BLACK SINGLE ARM

- Single adjustable monitor arm with dynamic gas spring
- Lockable quick release VESA mounting plate
- Clamp/Bolt-through kit included
- In-built cable management clips
- Fast installation design with top-side clamp attachment and removable quick-fit arm segments
- In-built rotation/swing control
- Colour: Matte Black

LDB: BLACK DUAL ARM

- Dual adjustable monitor arm with dynamic gas spring
- Lockable quick release VESA mounting plate
- Clamp/Bolt-through kit included
- In-built cable management clips
- Fast installation design with top-side clamp attachment and removable quick-fit arm segments
- In-built rotation/swing control
- Colour: Matte Black

LSW: WHITE SINGLE ARM

- Single adjustable monitor arm with dynamic gas spring
- Lockable quick release VESA mounting plate
- Clamp/Bolt-through kit included
- In-built cable management clips
- Fast installation design with top-side clamp attachment and removable quick-fit arm segments
- In-built rotation/swing control
- Colour: Matte White

LDW: WHITE DUAL ARM

- Dual adjustable monitor arm with dynamic gas spring
- Lockable quick release VESA mounting plate
- Clamp/Bolt-through kit included
- In-built cable management clips
- Fast installation design with top-side clamp attachment and removable quick-fit arm segments
- In-built rotation/swing control
- Colour: Matte White

FIXED POST MONITOR ARM RANGE

FIXED POST ADJUSTABLE MONITOR ARM

**QUICK RELEASE VESA PLATE | CLIP-ON CABLE MANAGEMENT | ADJUSTABLE HEIGHT
CLAMP & BOLT THROUGH KIT INCLUDED | ADJUSTABLE TILT & ROTATION**

FEATURES AND SPECIFICATIONS:

- Fixed post adjustable monitor arms + laptop tray combination
- Clip-on cable management
- Screen compatibility 13" to 27"
- Weight capacity (per screen): 1 to 10kg
- Weight capacity (laptop tray): 5kg
- Monitor rotation range: +180° / -180°
- Monitor tilt range: +45° / -45°
- Monitor swivel range: +90° / -90°
- Laptop tray size: 355mmW x 300mmD
- Vented laptop tray to allow for cooling/airflow
- Detachable quick-fit VESA plate design (75mm x 75mm and 100mm x 100mm universal compatibility)
- Optional clamp or grommet installation kits included (all tools included)
- 10 year warranty
- Colour: Black only

M1B: SINGLE ARM

- Single adjustable monitor arm (fixed post)
- Quick release VESA mounting plate
- Clamp/Bolt-through kit included
- Cable management clips with tool storage

M2B: DUAL ARM

- Dual adjustable monitor arm (fixed post)
- Quick release VESA mounting plate
- Clamp/Bolt-through kit included
- Cable management clips with tool storage

MLTB: LAPTOP ARM

- Adjustable laptop tray arm (fixed post)
- Quick release VESA mounting plate
- Clamp/Bolt-through kit included
- Cable management clips with tool storage

M1LTB: SINGLE + LAPTOP ARM

- Adjustable laptop tray arm + monitor arm (fixed post)
- Quick release VESA mounting plate
- Clamp/Bolt-through kit included
- Cable management clips with tool storage

ACOUSTIC SCREEN RANGE

ACOUSTIC SCREENS

**EXCELLENT ACOUSTIC PERFORMANCE | INTEGRATES WITH VERTILIFT AND BLEND RANGES
PINNABLE SURFACE | DURABLE & LOW MAINTENANCE FINISH | SUSTAINABLE PRODUCTION**

A SUSTAINABLE SOLUTION:

Manufactured from PET (Recycled Post-Consumer Polyester) which comes from plastic waste collected in the environment, mainly from oceans and landfill sites.

In addition to the excellent acoustic properties, the production of these Acoustic Screens contributes to the global effort to remove and re-purpose plastic waste from the environment.

The Acoustic Screen range presents an opportunity to work towards a sustainable future.

FEATURES AND SPECIFICATIONS:

- 18mmT nominal thickness for Wrap, Front Mount and Desk Mount screen panels
- 25mmT nominal thickness for Back-to-Back and Slip-on Divider screen panels
- Pinnable textured surface
- Radius profile corners (30mm radius)
- Screens and Brackets designed to integrate seamlessly with the Vertilift Range and Blend Range
- Brackets included in price (also sold separately)
- 3 year warranty
- Colours: Charcoal or Light Grey
- Bracket colours: Black or White

DESK MOUNT / MODESTY SCREEN PANEL

- 18mmT Acoustic Panel
- Suits desk mount or modesty mount application
- To suit 1800mmL desk: 1760mmL x 380mmH
- To suit 1500mmL desk: 1460mmL x 380mmH
- To suit 1200mmL desk: 1160mmL x 380mmH
- Finished screen height 400mm from desk top (including brackets - 20mm)
- Colours: Charcoal or Light Grey

Bracket options:

- One set of brackets included with each screen
- Back-to-back: DMSBB*
- Single desk: DMSBS*
- Modesty mount: DMM*
- Bracket colours: Black or White (* denotes colour)

- 25mm Top/End Panels and 18mm Modesty (3/4)
- 720mm desk height with adjustable feet
- 2 x 60mm cable access holes with beech covers

P4: 1200 x 600 DESK

- 1200mmL x 600mmD x 720mmH
- 25mm Top/End Panels and 18mm Modesty (3/4)
- 720mm desk height with adjustable feet
- No cable access holes

P5: 1200 x 600 RETURN

- 1200mmL x 600mmD x 720mmH
- 25mm Top/End Panels and 18mm Modesty (3/4)
- 720mm desk height with adjustable feet
- No cable access holes
- Universal assembly (left or right hand)

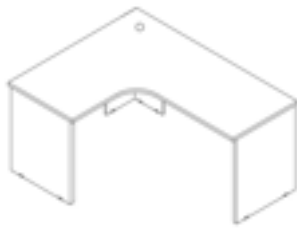

P6: 900 x 600 RETURN

- 900mmL x 600mmD x 720mmH
- 25mm Top/End Panels and 18mm Modesty (3/4)
- 720mm desk height with adjustable feet
- No cable access holes
- Universal assembly (left or right hand)

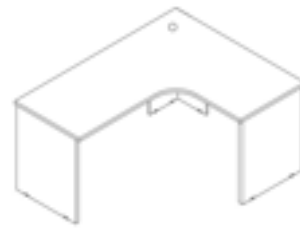

P80: 600 x 600 RETURN

- 600mmL x 600mmD x 720mmH
- 25mm Top/End Panels and 18mm Modesty (3/4)
- 720mm desk height with adjustable feet
- No cable access holes
- Universal assembly (left or right hand)

P11L: 1500 x 1200 DESK L/H

- 1500mmL x 1200mmW x 600mmD x 720mmH
- 25mm Top/End Panels and 18mm Modesty (3/4)
- 720mm desk height with adjustable feet
- Single cable access hole in corner
- 1200mmL on the LEFT when sitting at desk

P11R: 1500 x 1200 DESK R/H

- 1500mmL x 1200mmW x 600mmD x 720mmH
- 25mm Top/End Panels and 18mm Modesty (3/4)
- 720mm desk height with adjustable feet
- Single cable access hole in corner
- 1200mmL on the RIGHT when sitting at desk

P12: 900 x 900 CORNER DESK

- 900mmW x 99mmW x 600mmD x 720mmH
- 25mm Top/End Panels and 18mm Modesty (3/4)
- 720mm desk height with adjustable feet
- Single cable access hole in corner
- Compatible with P5, P6 and P80 Returns

P14: MOBILE PEDESTAL

- 675mmH x 415mmW x 500mmD
- 25mm Top and Base / 18mm Carcass and Drawer Fronts
- Factory assembled - castors and handles to be fitted
- Satin Chrome handles and lock (Black CL2 Lock - 2 Keys)
- Anti-tilt castor fitted to base of file drawer
- Pencil tray and adjustable file rail included

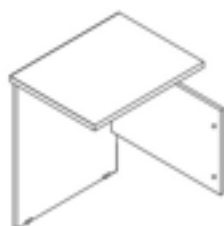

P54L: 1800 x 1200 DESK L/H

- 1800mmL x 1200mmW x 720mmH (main desk 750mmD and return side 600mmD)
- 25mm Top/End Panels and 18mm Modesty (3/4)
- Single cable access hole in corner
- 1200mmL on the LEFT when sitting at desk
- Compatible with P55 and P56 returns

P54R: 1800 x 1200 DESK R/H

- 1800mmL x 1200mmW x 720mmH (main desk 750mmD and return side 600mmD)
- 25mm Top/End Panels and 18mm Modesty (3/4)
- Single cable access hole in corner
- 1200mmL on the RIGHT when sitting at desk
- Compatible with P55 and P56 returns

P55: 300 x 600 RETURN

- 300mmL x 600mmD x 720mmH
- Compatible only with P54 Desk - acts as extension kit for 1200 x 600 return side to extend desk to 1800mm x 1500mm
- Universal assembly (left or right hand)

P56: 600 x 600 RETURN

- 600mmL x 600mmD x 720mmH
- Compatible only with P54 Desk - acts as extension kit for 1200 x 600 return side to extend desk to 1800mm x 1800mm
- Universal assembly (left or right hand)

P19: 1800 x 900 BOOKCASE

- 1800mmH x 900mmW x 330mmD
- 25mm Top/Shelves/Base and 18mm Back/Sides
- 1 x Fixed Shelf + 3 Adjustable Shelves (spacing allows for full size binder folders)
- Adjustable 25mm nylon leveling feet

P42: 900 x 900 BOOKCASE

- 900mmH x 900mmW x 330mmD
- 25mm Top/Shelves/Base and 18mm Back/Sides
- 2 x Adjustable Shelves (allows for full size binder folders)
- Adjustable 25mm nylon leveling feet

P20: STATIONERY CABINET

- 1800mmH x 900mmW x 450mmD
- 25mm Top/Shelves/Base and 18mm Back/Doors/Sides
- 1 x Fixed Shelf + 3 Adjustable Shelves
- Satin Chrome handles and lock (CL2 lock + 2 keys)
- Adjustable 25mm nylon leveling feet

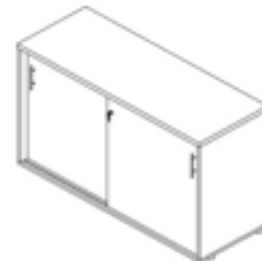

P37: UTILITY CABINET

- 900mmH x 900mmW x 600mmD
- 25mm Top/Shelves/Base and 18mm Back/Doors/Sides
- 2 adjustable Shelves
- Satin Chrome handles and lock (CL2 lock + 2 keys)
- Adjustable 25mm nylon leveling feet

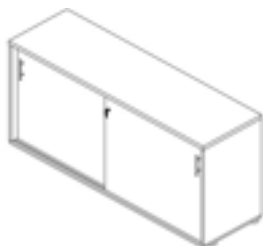

P23: 1200 CREDENZA

- 1200mmW x 720mmH x 450mmD
- 25mm Top/Base and 18mm Shelves/Sides/Doors
- 2 Adjustable Shelves
- Satin Chrome handles and lock (CL2 lock - 2 keys)
- Adjustable 25mm nylon leveling feet

P24: 1500 CREDENZA

- 1500mmW x 720mmH x 450mmD
- 25mm Top/Base and 18mm Shelves/Sides/Doors
- 2 Adjustable Shelves
- Satin Chrome handles and lock (CL2 lock - 2 keys)
- Adjustable 25mm nylon leveling feet

P25: 1800 CREDENZA

SOFT WIRING COMPONENTS

VL1802R*: DUAL ROTATED GPO

- Dual Auto Switched Power Module (Rotated)
- Soft-wired GPO (compatible with 3m Starter Cable or Link Cable installation)
- Requires GPO Clip to connect to Wire Cable Basket
- Colour: Black (B) or White (W)

VL1804R*: QUAD ROTATED GPO

- Quad Auto Switched Power Module (Rotated)
- Soft-wired GPO (compatible with 3m Starter Cable or Link Cable installation)
- Requires GPO Clip to connect to Wire Cable Basket
- Colour: Black (B) or White (W)

VLWGCB*: GPO MOUNTING CLIP

- Plastic modular GPO Mounting Clip used to connect Dual or Quad GPO to Wire Cable Basket
- Includes countersunk pre-drilled holes to screw directly to surfaces for easy mounting
- Colour: Black (B) or White (W)

VLWGC45D*: 45 DEGREE DATA

- Clip on 45 degree data tile - clips directly to Wire Cable Basket
- Provides a fast install cable management solution to terminate data cabling under the desk top
- Colour: Black (B) or White (W)

VL84011*: STARTER PLATE

- Single Starter Plate - 20amp - Wall Mount
- Requires licensed electrician for installation and testing
- Colour: Black (B) or White (W)

VL84012*: DUAL STARTER PLATE

- Dual Starter Plate 20Amp Single Circuit - Wall Mount
- Requires licensed electrician for installation and testing
- Colour: Black (B) or White (W)

VLT5A30*: 3M STARTER CABLE

- 3000mm 20A starter lead
- 10A plug to 20amp Tag Installation coupler with Slimline Integrated Thermal Overload
- Thermal overload 300mm in from plug/socket
- Colour: Black (B) or White (W)

VL5205*: 500MM LINK CABLE

VL5210*: 1000MM LINK CABLE

VL5215*: 1500MM LINK CABLE

VL5220*: 2000MM LINK CABLE

VL5225*: 2500MM LINK CABLE

VL5230*: 3000MM LINK CABLE

- Soft-wiring link cables to connect power supply to multiple workstations
- Fast installation solution with plug-and-play functionality
- Additional sizes available on request (only standard sizes listed above)
- Colour: Black (B) or White (W)

CT12S*: 1250MM CABLE BASKET

CT15S*: 1550MM CABLE BASKET

CT17S*: 1750MM CABLE BASKET

- 50mm x 50mm wire cable basket (single tier)
- Each wire basket is supplied with two single tier mounting brackets (spare brackets can be ordered separately)
- Available in sizes ranging from 650mm to 1750mm long
- Colour: Black (B) or White (W)
- Pictured with Quad GPO (not included in price)

CT12D*: 1250MM CABLE BASKET

CT15D*: 1550MM CABLE BASKET

CT17D*: 1750MM CABLE BASKET

- 50mm x 50mm wire cable basket (dual tier)
- Dual baskets are supplied with two dual tier mounting brackets (spare brackets can be ordered separately)
- Available in sizes ranging from 650mm to 1750mm long
- Colour: Black (B) or White (W)
- Pictured with Quad GPO + Data Tiles (not included in price)

VNDSAUT10D*: NOVA DUO RAIL

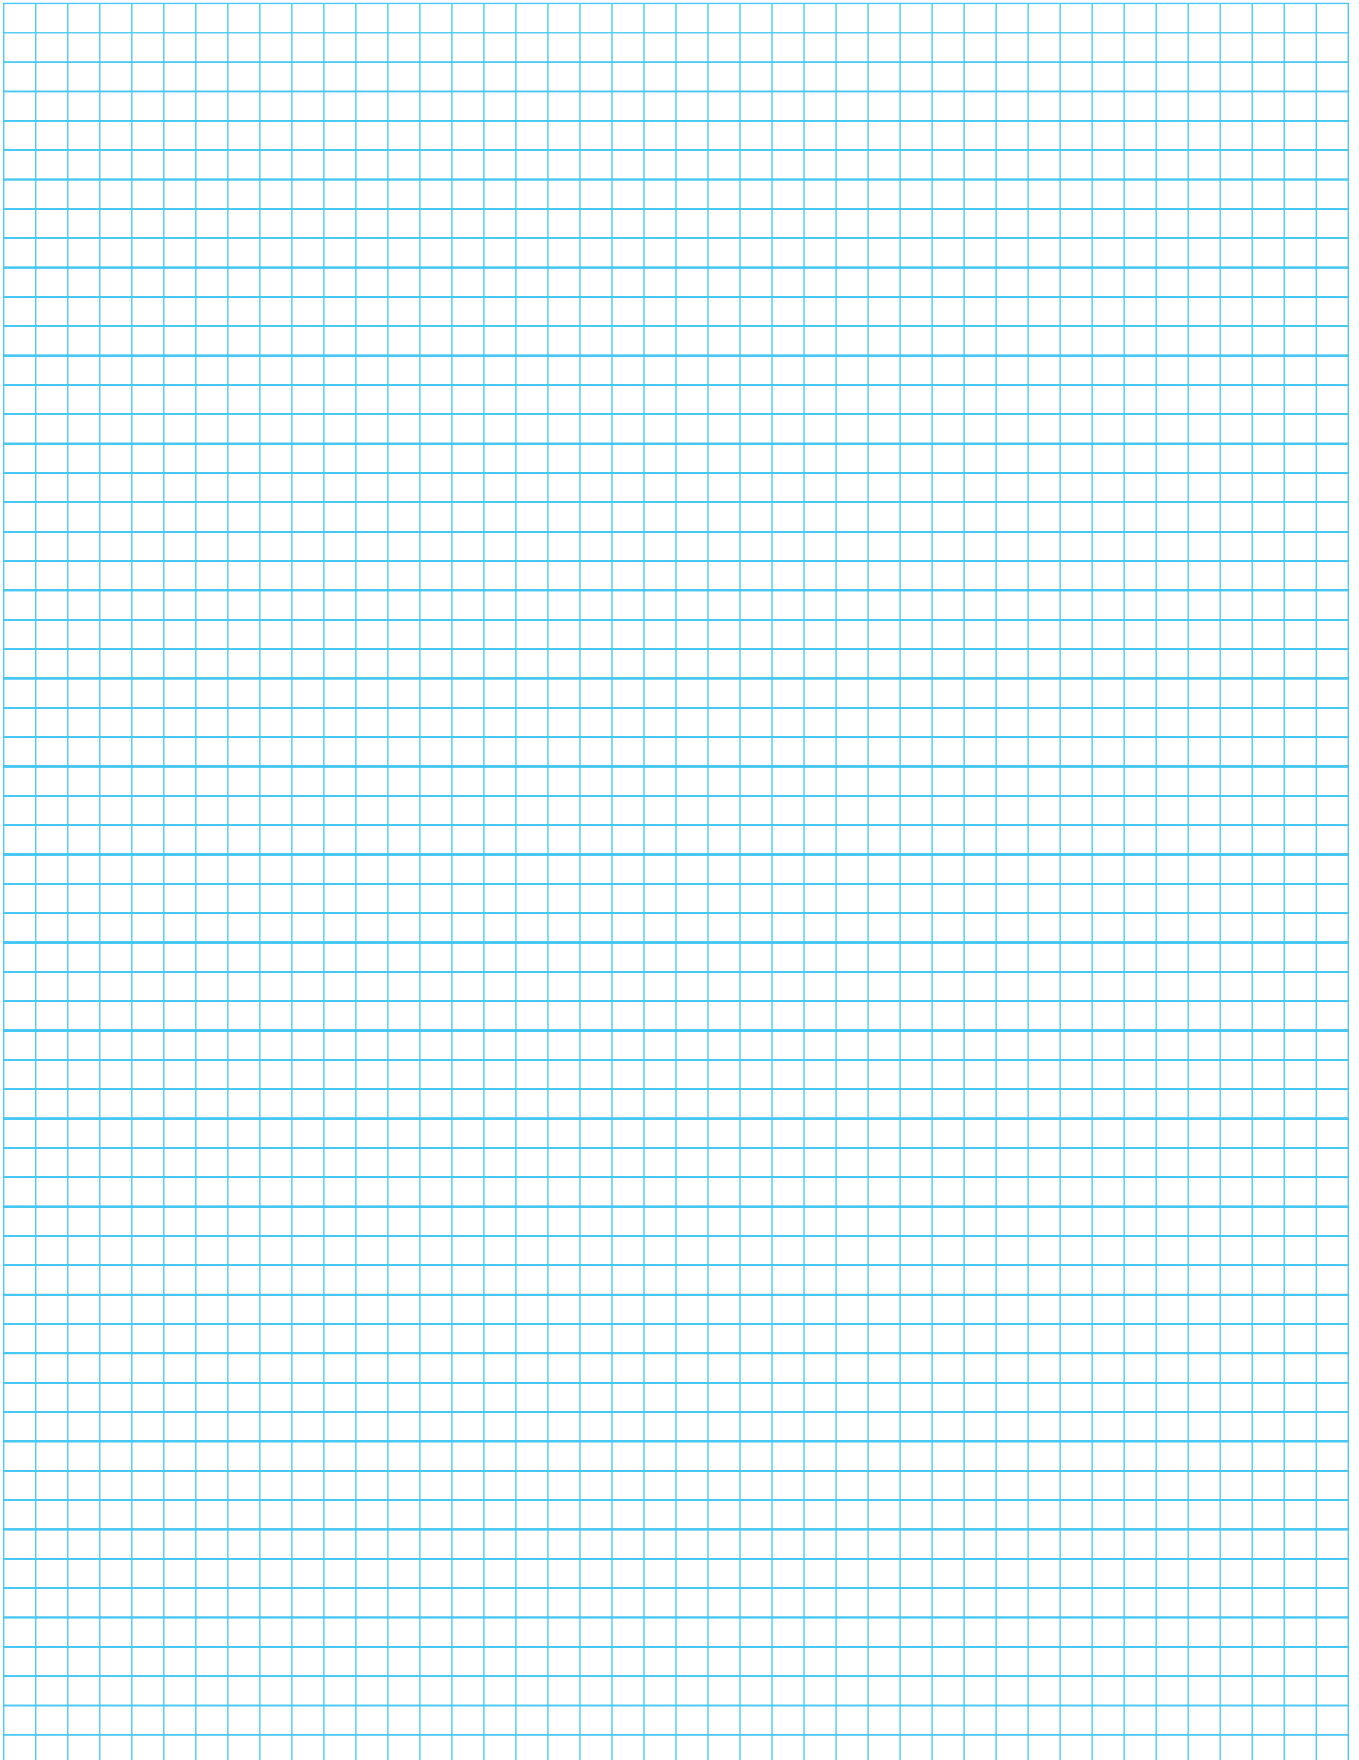

- Above desk power rail with 1x GPO, USB C/A Charge Module (30W shared)
- 1000mm TAG Lead With L3D Splitter included
- Fast install pre-installed clamp design
- Colour: Black (B) or White (W)

VN TSAUAT10D* NOVA TRIO RAIL

- Above desk power rail with 2x GPO, USB C/A Charge Module (30W shared)
- 1000mm TAG Lead With L3D Splitter included
- Fast install pre-installed clamp design
- Colour: Black (B) or White (W)
